

# NEWSLETTER ATHENA GLOBAL SCHOOL

Volume 1 Issue 3

Dear Readers,

As we enter the new year, we are greeted with the vibrant hues and festive spirit of Pongal, a cherished celebration in the heartlands of Athena across the grades, the learners took the chance to perform for dance, skit & speech, followed by house wise Pongal making competition from grade 5-9, kite making competition by 3&4, Coloring competition by Nur- GII.

Republic Day in Athena is not just a national Holiday; this day instills a sense of patriotism among our students. The day began with the traditional flag fluttering ceremony. Followed by a chief guest speech by Mr. Robert shared tips to monitor the children's activity and a fancy dress competition by Nur - GII, Dance, and prize distribution.

**Founder's Day:**

Founder's Day is a meaningful occasion that allows us to celebrate the history, values, and achievements while honoring the visionaries of the founder. It serves as a reminder of the importance of education, community, and the enduring legacy of the school's success.

### Field trips:

Our learners' trip to paddy land made them experience various aspects of agricultural science, crop cultivation, and pest control. The opportunities to learn math through perimeter and area of measurements. How to be fit with the help of Decathlon and a trip to Dakshin Chitra helped them to understand the various cultures.

### Talent hunt:

The talent hunt was organized in the school to express themselves, build confidence, and celebrate their unique talents and abilities.

### Spell bee:

Spell Bee was conducted to prompt Healthy Competition, boost their confidence, and enhance their vocabulary skill.

## Pondicherry trip:

It's a memorable journey that can inspire curiosity, foster appreciation for diversity, and create lasting memories for students. At the Flea market, Learners of Athena attempted the art of bargaining which needs mental math, estimation, and calculation. We integrate bargaining scenarios to calculate discounts, percentages, and final prices.

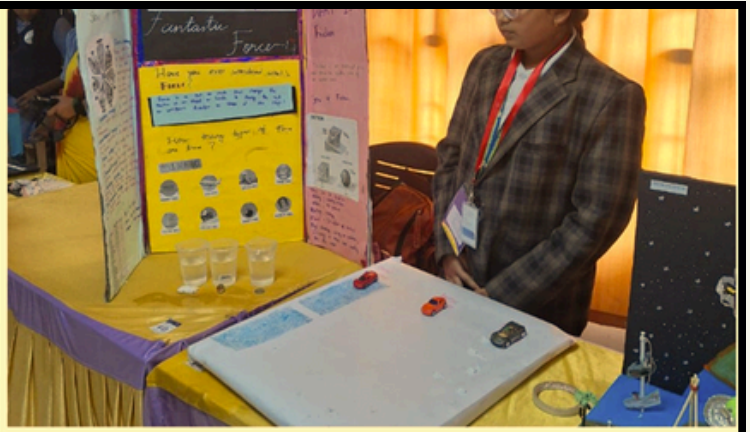

## KG excursion to farmhouse:

A memorable and enriching experience that deepens their understanding of living things, sustainability, and the natural world.

### St.John's science Expo:

The learners attempted the science in real-time, the importance of technology, and Newton's 3rd law & force. The experiments helped them to diverse exploration of scientific concepts and their real-world applications. The participants are Nivin - GI, Raghava Nimalan- GI, Lakshmi - GIV, Rishanth - GIV & Ayesha - GVI.

### Mime show & puppet show by Kg Team:

In a world filled with noise and chaos, sometimes the most profound messages are conveyed in silence. A powerful narrative crafted to awaken the audience to the urgent need for environmental conservation by our KG facilitators.

### KG GRADUATION:

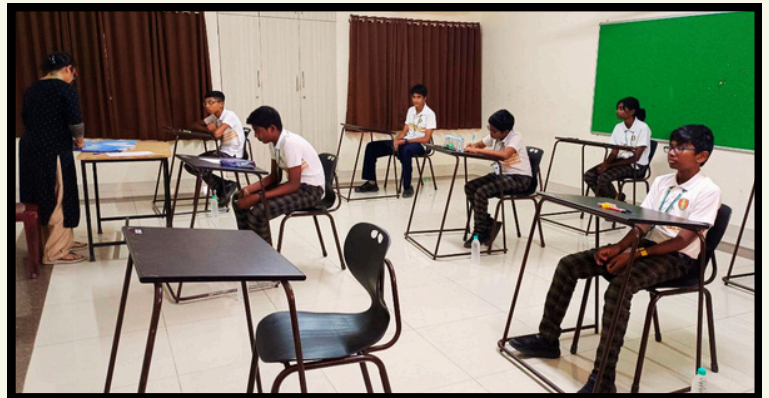

Young Graduates showcased their talent through speech, music & dance. Parents had the opportunity to participate in the ceremony by sharing anecdotes about their child's kindergarten experience.

### CHECKPOINT EXAM:

Checkpoint exams play an important role in the assessment and evaluation process in school, helping to monitor student progress, guide instruction, and promote academic success.

### Class party:

Hosting a class party can be a wonderful way to foster a sense of community, celebrate achievements, and create lasting memories among students. It needs collaborative planning.

### Football tournament:

Participating in the football tournament helped the learners with the preparation, team spirit, joy of playing & opportunity for players to showcase their skills.

**SOUTH ASIAN  
CAMBRIDGE  
WORKSHOP**

**TAMILNADU  
PRINCIPAL'S  
MEET**

**MASTERCLASS  
WORKSHOP**

**FACILITATORS  
CURRICULUM  
WORKSHOP 2023-24**

Our school heads attended the Innovation and Education Cambridge Schools Conclave South Asian workshop in Goa. To understand the bridging the gap between traditional and technological education, fostering Climate Literacy, and shaping the future of Cambridge education for a brighter tomorrow.

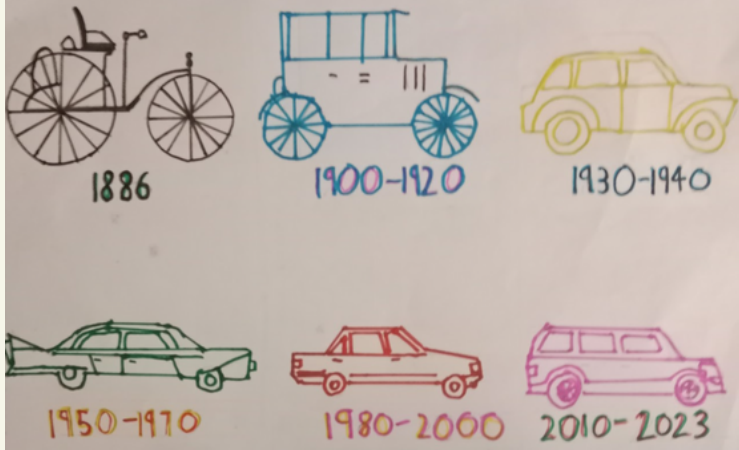

Tamilnadu Principal's Meet to exchange the best practices in the schools about life skills and panel discussion about the future of Education on AI.

Curriculum workshops contribute to teacher morale and motivation, leading to a more positive school culture and when teachers feel equipped with the knowledge and skills to deliver meaningful instruction, they experience greater job satisfaction.

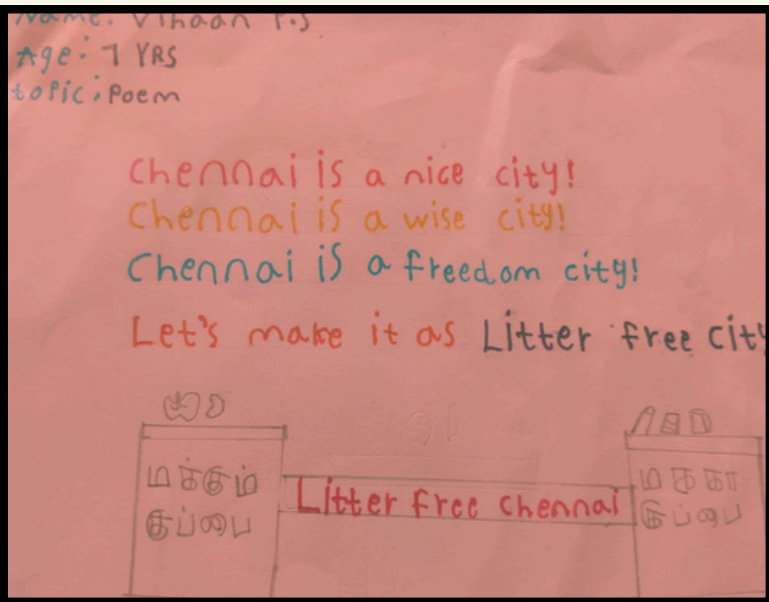

Masterclass workshops aided in understanding the performance of the learners during the secondary level.

## The Magical Tree

By Kartheeka Srestha Makkuva IIIB

Once upon a time, deep in the forest there was a magical tree. Some doves lived on it. One day, a woodcutter came to the forest to chop wood. He saw the magical tree and took his axe to chop it!

All of a sudden, the tree spoke. It said, "Who are you? Why are you chopping my wood?"

The woodcutter was surprised!!

He said, "I am chopping because I need some firewood."

"I'm a tree who can grant 4 wishes" said the tree, "but if all 4 wishes turn out to serve your own selfishness, I will banish you from the world forever!!!!"

The woodcutter was greedy and every time, day after day, his own 4 wishes turned out to serve his own selfishness.

The magical tree got angry and banished the woodcutter forever!

Thus, the magical tree along with the doves lived happily ever after.

Moral of the story

Greed destroys everything!
